EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation)

This Order brings section 7 of the Planning and Development (Amendment) Act 2021 (No. 18 of 2021) into operation on the 9th day of September 2021. Section 7 of the Planning and Development (Amendment) Act 2021 inserts a new section 42B into the Planning and Development Act 2000, which in turn provides for a temporary modification of section 42 of that Act having regard to the Covid-19 pandemic by prescribing that during the period from the commencement date of section 7 of the Planning and Development (Amendment) Act 2021 until 31 December 2023, section 42 of the Act shall be read as incorporating a new subsection (1B). Section 42(1B) of the Planning and Development Act 2000 allows for applications for a further extension of a planning permission by an additional period of up to 2 years or until 31 December 2023 whichever first occurs, subject to the planning authority being satisfied with a number of matters set out in section 42(1B). The provision applies to extant permissions due to expire and permissions which expired between 8 January 2021 and 8 September 2021.
