(This note is not part of the Instrument and does not purport to be a legal interpretation.)

This Order appoints the 25th day of July 2021 as the day on which certain provisions of the Health (Amendment)(No. 2) Act 2021 come into operation.

These provisions, which amend the Health Act 1947, provide for the lawful operation of certain indoor premises and provide, for that purpose, for a system of verification of vaccination or immunity status of persons, and confer a power on the Minister for Health to make regulations to provide for enforcement and for related matters.

These provisions also amend Section 38B of the Health Act 1947.
