

STATUTORY INSTRUMENTS.

S.I. No. 644 of 2021

AVIAN INFLUENZA (TEMPORARY MEASURES) (NO.3)
REGULATIONS 2021

AVIAN INFLUENZA (TEMPORARY MEASURES) (NO.3)
REGULATIONS 2021

The Minister for Agriculture, Food and the Marine, in exercise of the powers conferred on him by section 36 of the Animal Health and Welfare Act 2013 (No. 15 of 2013) and for the purpose of giving full effect to Commission Regulation (EU) 2020/ 687 of 17 December 2019¹ in so far as that Regulation applies to avian influenza, make the following regulations:

1. (1) These Regulations may be cited as the Avian Influenza (Temporary Measures) (No.3) Regulations 2021 and come into operation on 1 December 2021.

(2) In these Regulations “EU Regulation” means Regulation (EU) 2020/687 of 17 December 2019.

(3) A word or expression that is used in the EU Regulation and that is also used in these Regulations has, in these Regulations unless the contrary intention appears, the same meaning as in the EU Regulation.

2. These Regulations, other than Regulations 4 (2) and (3), apply in that part of the State more particularly described in Part 1 of the Schedule (“surveillance zone”) and Part 2 of the Schedule (“protection zone 1” and “protection zone 2”).

3. Land or premises—

(a) that lies partly within either protection zone 1 or protection zone 2 and partly within the surveillance zone is deemed to lie wholly within protection zone 1 or, as the case may be, protection zone 2., and

(b) subject to paragraph (a), that lies partly within the surveillance zone and partly outside the surveillance zone is deemed to lie wholly within the surveillance zone.

4. (1) A person shall not move, or cause or permit another person to move, poultry, other captive birds, eggs, carcasses, poultry litter or poultry manure from the land or premises where they are situated except in accordance with a licence issued by an authorised officer.

(2) A person shall not have poultry, other captive birds, eggs, carcasses, poultry litter or poultry manure that has been moved in contravention of paragraph (1) in his or her possession or under his or her control.

¹ O.J. L 174 of 3.6.2020, 64; http://data.europa.eu/eli/reg_del/2020/687/oj

(3) A person shall not spread, or cause or permit another person to spread, poultry litter or manure on land except in accordance with a licence issued by an authorised officer.

5. A person who has poultry or other captive birds in his or her possession or under his or her control or otherwise has knowledge of such poultry or other captive birds shall immediately notify an authorised officer at the Regional Veterinary Office of the Department of Agriculture, Food and the Marine within whose functional area the poultry or other captive birds situate of any increased levels of avian influenza, deaths of poultry or other captive birds, or significant production drop among poultry or captive birds.

6. (1) A person shall not move, or cause or permit another person to move, a farm animal, other than poultry or other captive birds, from land or premises where poultry or other captive birds are present or cause or permit such an animal to be on other land or premises except in accordance with a licence issued by an authorised officer.

(2) A person shall not cause or permit a farm animal, including poultry or other captive birds, to be brought onto land or premises where poultry or other captive birds are present or cause or permit such an animal to be on the land or premises except in accordance with a licence issued by an authorised officer.

7. A person shall not release poultry or other captive birds from the land or premises where they are kept or cause or permit such birds to be released or stray from that land or premises.

8. A person shall not move poultry meat from land or premises used by a food business operator (within the meaning of the European Communities (Food and Feed Hygiene) Regulations 2020) as a slaughterhouse, cutting plant or cold store unless the poultry meat –

- (a) comes from land or premises that is situate outside the surveillance zone or either protection zone 1 or protection zone 2,
- (b) is stored and or transported separately from poultry meat that comes from premises situate within the surveillance zone or either protection zone 1 or protection zone 2, and
- (c) is transported directly to a place situate outside the surveillance zone, protection zone 1 or protection zone 2.

9. (1) An application for a licence under these Regulations shall be in a form, contain such particulars and be made in a manner that an authorized officer may determine.

(2) An authorized officer may grant a licence, attach conditions to a licence, vary a condition, insert a new condition, withdraw a licence, or refuse an application.

(3) A licence granted under the Avian Influenza (Temporary Measures) Regulations 2021 or the Regulations revoked by Regulation 16 (a) that is in force immediately before the making of these Regulations remains in force, is deemed to have been granted under the corresponding provision of these Regulations and may be dealt with in accordance with paragraph (2).

10. (1) A person shall not bring a vehicle onto land or premises where poultry or other captive birds are present unless the vehicle has been cleaned and disinfected in a manner that kills the avian influenza virus –

- (a) prior to coming onto the land or premises, and
- (b) after it has been on other land or premises where poultry or other captive birds are present or being in contact with poultry, other captive birds, eggs, carcasses, poultry litter or poultry manure.

(2) A person shall not have a vehicle that has been brought onto land or premises in contravention of paragraph (1) in his or her possession or under his or her control.

11. A person who has charge of a vehicle, machinery or equipment used in connection with poultry or other captive birds or that has been in contact with poultry or other captive birds shall take all necessary steps to ensure that the vehicle, machinery or equipment is cleaned and disinfected before and immediately after use or contact with poultry, other captive birds or any other thing that could be affected by avian influenza virus with in in a manner that kills the virus, in accordance with the instructions (if any) of an authorised officer.

12. A person who has poultry or other captive birds in his or her possession or under his or her control shall take all necessary measures to ensure that all animal and carcases are disposed of as soon as possible in accordance with Regulation (EC) No 1069/2009 of the European Parliament and of the Council of 21 October 2009².

13. A person who, on land or premises, has poultry or other captive birds in his or her possession or under his or her control shall take all necessary steps to ensure that all parts of a vehicle that enters or leaves the land or premises is cleaned and disinfected in a manner that kills the avian influenza virus, in accordance with the instructions (if any) of an authorised officer.

14. (1) A person in possession or control of land or premises where poultry or other captive birds are present shall maintain a record all

² O.J. L 200 of 14.11.2009, 1; <http://data.europa.eu/eli/reg/2009/1069/oj>

persons who enter the land or premises and make the record available upon request to an authorised officer.

(2) Paragraph (1) does not apply to persons normally resident there who enter a dwelling on the land or premises without having contact with poultry or other captive birds, or to a zoo or wildlife park.

15. Regulations 4, 5, 6, 7, 8, 10, 11, 12, 13 and 14 are penal provisions to which section 36 (4) (b) of the Animal Health and Welfare Act 2013 applies.

16. The following are revoked:

- (a) the Avian Influenza (Temporary Measures) (No. 2) Regulations 2021,
- (b) the Avian Influenza (Temporary Measures) (No. 2) (Amendment) Regulations 2021, and
- (c) the Avian Influenza (Temporary Measures) (No. 2) (Second Amendment) Regulations 2021.

Schedule³

Part 1
