Levy Fee

(2) The required levy fee shall be paid to the Commission in respect of the levy period and shall be payable not later than the date set out in the levy notice as specified in Article 5.

(3) A Consumer Online Platform Provider which qualifies as a micro or small enterprise is not required to pay a levy fee unless such Provider has been designated by the European Commission as a very large online platform in accordance with Article 33 of the Digital Services Act.

Formula for calculation of the Levy Fee

4. (1) The amount of the levy fee that a Consumer Online Platform Provider is liable to pay for the levy period is calculated by applying the following formula—

$$\text{Levy Fee} = \frac{(E)}{(TA)} \times N$$

(2) For the purposes of the formula in paragraph (1)—

- a) “E” is the total Commission costs for the levy period;
- b) “TA” is the total number of average monthly active recipients of all Consumer Online Platform Providers, subject to the levy, comprising the sum of all figures published in the base period by each individual Consumer Online Platform Provider in accordance with Article 24(2) of the Digital Services Act or otherwise determined in accordance with paragraph (3); and

(3) If the number of average monthly active recipients has not been published in the base period by a Consumer Online Platform Provider the Commission will determine, for the purposes of the formula in paragraph (1), those figures from information furnished to the Commission by that Consumer Online Platform Provider pursuant to Articles 8 and/or 9.

Levy Fee notice

5. The Commission shall serve a notice on each Consumer Online Platform Provider setting out—

- a) the amount of the levy fee which it must pay;
- b) the details of the Commission's bank account for payments to be made;
- c) where such amount is to be paid in one sum, the date on which such payment is to be made; and
- d) where such amount is to be paid by way of a number of instalments, the amount of each such instalment and the date on which each such instalment is to be paid.

Payment of required Levy Fee

6. A Consumer Online Platform Provider which is obliged to make a payment of a levy fee to the Commission shall make such payment by electronic funds transfer to the bank account set out in the Article 5 notice by the due date. Where a Consumer Online Platform Provider has initiated an electronic funds transfer, it shall promptly notify the Commission of the date on which such transfer was initiated, the amount which is to be transferred and the name of the bank which is to effect the transfer.

Interest

7. (1) Where an amount of required levy fee becomes payable under this Order and is not paid by the due date, interest shall accrue on an overdue sum from the date of default until the date of payment at an annual rate of 2% over the three month Euribor rate.

(2) The three-month Euribor rate which is applicable for the purpose of this Article shall be the three-month Euribor rate on the date of default, provided that thereafter the Commission may, at three-month intervals, substitute for such rate the then applicable three-month Euribor rate.
